Great – Heres the letter I sent to Rick to gain approval from Karen/Joan/Jen for signing and sending to CRW in advance of our meeting. I didn't make many changes – Most substantive is what I shared with you in the e-mail below.

Thanks.

Got it – Quick question. I want to add something about the system-wide requirement. See this minor change in red – Is this accurate?

Pam – Do you know if Steve and/or you made any changes to the letter last week? If so, what were they?

Thanks.
